

Colin T. Trevorrow is an American film director, screenwriter, and film producer. He made his feature directorial debut with the science fiction comedy *Safety Not Guaranteed* (2012) to critical and commercial success. Trevorrow achieved mainstream recognition for his work on the *Jurassic World* entries of the *Jurassic Park* franchise, which began when he co-wrote and directed the eponymous first film in 2015. After the film grossed over \$1 billion, Trevorrow co-wrote the 2018 sequel and co-wrote and directed the upcoming third installment, *Jurassic World: Dominion* (2022). He was also the original writer and director of *Star Wars: Episode IX* until his departure from the project, although he retained story credit.

COLIN TREVORROW

THE GALAXY
HAS FALLEN

All communication between systems has been silenced. With the Old Republic capital of Coruscant as their seat of power, The First Order has conquered worlds in the farthest reaches of the galaxy. It is not enough. Supreme Leader Kylo Ren must find the ultimate power in the universe before he is satisfied.

The spark of rebellion must be reignited. It is up to Rey, Finn, Poe, and the heroes of the Resistance to unite the galaxy and put an end to tyranny once and for all.

The end of the saga that started in 1977 has come and gone. Travel back to a time when the saga was still being written. Where the reigns of the ninth and final film were in the hands of another. Witness the *Duel of the Fates*.
